QUALITY POLICY

Alinea Group is committed to satisfying the requirements of its customers and to the continual improvement of its products and services.

This will be achieved by:

- ✓ Actively measuring our internal performance, as well as feedback from our customers, to strive for continual improvement.
- ✓ Implementation and continual improvement of the Quality Management System.
- ✓ Complying with the requirements of ISO9001:2015
- ✓ Thinking creatively, beyond the boundaries of conventional design and construction.
- ✓ Developing a clear set of deliverables to ensure the end-product is delivered to an exceptional standard.
- ✓ Performing regular reviews, identify opportunities and resolving problems expeditiously.
- ✓ Complying with relevant statutory and regulatory requirements.

By regularly measuring the effectiveness of the Quality Management System, encouraging staff to be proactive and aiming for excellence in product and service delivery, we expect to achieve significant quality outcomes.

WHS POLICY

Our goal is to design and implement a Safety Management System that promotes both Quality & Safety throughout our company.

As part of this program, the management of Alinea group will design and implement a Work Health & Safety System that meets the requirements of ISO45001:2018.

Our target is:

- Less than 21 medically treated injuries per million hours worked (per annum)

Our current objectives are:

- Improve employee skills with respect to Hazard Identification and Risk Analysis.
- Monitor and improve sub-contractor compliance via WHS Audits.
- Reduce Lost Time Injuries and Medical Treated Injuries.

Alinea group is committed to ensuring that employees and sub-contractors are safe from injuries and risks to health while they are at work and accepts that employee health & safety is primarily the responsibility of management.

Furthermore, Alinea group management agrees to provide all resources and equipment necessary to ensure the successful implementation and continuation of the WHS system.

We will periodically review this policy to ensure it remains relevant and appropriate for our company. We shall also comply with relevant WHS regulations, acts, and codes of practice.

This policy and all related WHS procedures are available to employees and subcontractors via the WHS Management System.

We seek the commitment of all Alinea group employees and sub-contractors to help make the achievement of these goals a personal responsibility.
